

**FOUNDATIONS OF CHRISTIAN SPIRITUALITY:
THE BIBLICAL TRADITION**

CHRISTIAN SPIRITUALITY is a journey with Christ. It is personal, freeing, transforming and compelling. The journey is both “inward” and “outward”. This is also a journey with community, others on the same path, although they may be at a different place along the way.

This year, join us in exploring **CHRISTIAN SPIRITUALITY**. Together, we will deepen our relationship with God and with each other. Expect thought-provoking ideas, open discussion and study of Scripture. Nurture your faith. Deepen your spiritual practice. Discover how God has worked in your life and recognize God’s hand in your present joys and challenges.

Each week (except for holiday breaks) we meet for 90 minutes on Tuesday nights from 7:00 to 8:30. Each lesson will span two weeks and is consistently organized around an introduction to the lesson’s main ideas, study questions, readings for insight, questions for group discussion, journal questions, and ideas for daily practice and prayer. This is an intensive 30-week course and will require dedication of time and of the heart, but the journey is worth the effort. During the year, we will also develop our personal spiritual autobiographies and expand our reading to at least one book that calls us deeper on the journey.

Group meets at Peace Lutheran Church on S Walnut Street in New Braunfels on Tuesdays from 7-8:30 p.m. beginning Sept 16.
